

Lake Travis High School
Swim and Dive Booster Club
Meeting Minutes
November 14, 2018

Meeting begins at 7:03 p.m.

President's Report

We have finalized the dates for all future Booster Club meetings. The meetings will be held at 7:00 p.m. The dates are posted on the website.

Treasurer's Report

This week \$3,800 was written to the district for TISCA. We still have the Tex Robinson Meet. We also need to fund the scholarships. The district provides an allotment for the district, regional and state meets. The booster club will also need funds to pay for the end of the season banquet.

Next year swimmers will not be provided with food when they travel to a meet on their own. If swimmers leave home and head straight to a meet they will be providing their own food.

We have \$6,500 left in our account to cover all of the costs for the rest of the year.

Coach Bowman mentioned the possibility of an email swimmer fundraiser. It is very easy. Every swimmer just provides a certain number of email addresses.

Vice President Report

We are looking for a way to have all the parents sit together during the meets. We are thinking about creating a Group Me so that parents can communicate. Parents are encouraged to wear the Lake Travis Swimming t-shirt. Mrs. Carr will be sending out an email to parents asking for participation.

The Holiday Breakfast will be either the 10th or 12th of December at the Rough Hollow Highlands Center. All of the swimmers will pay \$8. Food and drinks will be provided. Each swimmer will bring a white elephant gift that costs less than \$15.

The District Meet Pasta Party will be held at Kelly Mullen's house. It will be on January 23rd. It will be a pasta party. Everyone will sign up to bring something.

Coach's Report

A clothing company has approached Coach Bowman regarding Lake Travis Swim and Dive apparel. You can get online, place the order and the items are shipped straight to your house. Coach Bowman will be sending an email with a link to the website.

We have third warm up at TISCA. There is a playoff game that same Friday night. Parking may be tight.

The 512 Rivalry meet will be January 11th. Lake Travis and Westlake are hosting. It will be at the Burnet Pool. Five teams are participating. We will need timers.

Laura Orloff has volunteered to pick up Olive Garden and bring it to the hotel Friday night. She will also pick up Jimmy Johns on Saturday and bring it to the pool.

Meeting adjourned at 7:44 p.m.
