The dates will be posted on the booster club website.

There are many volunteer opportunities throughout the season. We will be hosting home meets at the Lakeway Swim Center. The team will need timers. At away meets volunteers are needed to order, pick up and deliver food. Some of the away meets will require the team to provide timers.

Scholarships are awarded to several seniors at the end of the year banquet. A scholarship committee is formed to review applications and determine the recipients.

Coach's Report

Red and Black meet is Thursday and Friday from 7:00 a.m.-9:00 a.m. The meet will follow a typical high school meet schedule. The swimmers will also be swimming a 50 in every stroke. Volunteers are needed to time.

The Season Kick Off Party will be Saturday, September 8th. The athletes will be participating in a lip sync battle.

Swim schedule is still being determined. The schedule will be posted to the booster club website as soon as it is finalized.

The TISCA meet will be held in Mansfield, Texas this year. It is the Friday and Saturday before Thanksgiving.

Regionals will also be held in Mansfield, Texas this year.

Not all swimmers will go to all meets. A travel team will be determined for each meet. Attendance and speed will determine which athletes qualify for the travel team. Travel team members may change for each meet. All swimmers will participate in the dual and tri meets.

Training groups have been established, but the groups are not static. Swimmers may switch training groups depending on his/her progress. Currently there are 5 plus groups.

Competition is based on time. They do not compete as classes.

A parent shared that students participating in UT On Ramps classes are not allowed to miss a test for any reason. The question was posed, "What will happen if a swimmer has a test on a meet day?" Coach Bowman will ask about this policy and communicate with the team.
